NEWSLETTER

As 2021 draws to a close, we would like to take this opportunity to thank you for your support over the past year. Next year promises to be exciting, and we will continue to offer a range of exclusive and unforgettable flight packages.

November 2021

The Best Christmas Gift

With Christmas just around the corner, why not celebrate in style with an ultimate helicopter tour? Take to the skies and see Hong Kong from a whole new perspective, with stunning views over Victoria Harbour and the lush green hills of the surrounding countryside!

Our New Member!

In other news, we are delighted to announce the arrival of a new helicopter at our maintenance facility. Our fourth helicopter is currently undergoing routine checks and will soon become a member of our fleet, ready to take you on an unforgettable journey across Hong Kong.

Podium at the East Wings

Our service podium is located in the east wings of the lobby (next to Chanel) of The Peninsula Hong Kong. Passengers with a reservation can proceed directly to the service counter and be escorted to the waiting room by our staff in preparation for take-off. Our on-site service staff will be happy to assist with any queries regarding our flights.

New HS Souvenirs

We have also released several new souvenirs, including this exquisite cutlery set and helicopter brooch, which are now available for purchase at our booking office.
