NEWSLETTER

The past few months have been challenging for all of us—the start of 2022 was marked by a spike in Covid-19 cases, forcing the widespread cancellation of events and even private gatherings. However, thanks to the joint efforts of everyone in Hong Kong, cases have started to fall, and Covid-related restrictions are gradually being eased. We are all looking forward to a return to normality so that we can take to the skies again with our customers.

May 2022

Covid-19 prevention measures

Following a gradual easing of Covid-related restrictions, we have increased our capacity from two to four passengers. However, due to the ongoing measures we are still awaiting the go-ahead from the government to resume our six-person charter service. In addition, in order to comply with health and safety measures at The Peninsula Hong Kong, passengers must use the LeaveHomeSafe app and present a Covid-19 vaccine pass.

Special promotion

Following several months of social distancing, we are all looking forward to seeing friends and family again. This year, we are launching our quarterly promotion ahead of schedule so that you can start planning for your next get-together. With prices starting at just \$14,400 our charter service allows you to experience breathtaking views over Hong Kong with an exquisite afternoon tea at The Peninsula Hong Kong! And with Mother's Day just around the corner, you can also book a special Mother's Day package—visit our website to find out more!

All-new promotional leaflet

To mark the start of the new year, we have designed a brand new promotional leaflet with a minimalist and elegant design, which promises to showcase our brand to the public from a new perspective. We will continue to release more promotional materials in the future to keep you up to date with our latest developments!
