

1st, November 2020

After several months of battling the Covid-19 pandemic, the situation in Hong Kong has started to improve. This year we have launched a number of special promotions to give local residents the opportunity to take to the skies and enjoy a breath of fresh air during these difficult times.

Health & Safety Protocols

At Heliservices, health and safety is our utmost priority. We have implemented a series of measures to make our services Covid-safe for passengers, such as requiring our staff to undergo temperature checks, wear masks and disinfect their hands. In addition, all of our lifejackets, headsets, seat belts, seat covers and handles are thoroughly disinfected after each journey. Our VIP room and booking office are also disinfected on a regular basis, and the number of visitors is kept to a minimum to ensure social distancing.

Be A Little Pilot

As part of our new package of promotions, visitors to our Tsim Sha Tsui Booking Office can dress up as a pilot and receive a special gift after posting their photo on social media. Participants will also have the chance to win a limited edition Heliservices t-shirt (while stocks last!). In addition, visitors can take advantage of in-store promotions for our stunning helicopter experience.

Aerial Filming & Photography

As well as standard sightseeing experience, we also have over 30 years of experience in aerial filming and photography services. In recent years we have been recruited by Hollywood and local film companies to assist in the production of feature films and television commercials that showcase Hong Kong's most stunning landscapes. We have also received approval to install the certified Lidar system and conduct high-precision aerial surveys or 3D mapping for a wide range of projects, such as artificial islands, the Hong Kong – Zhuhai – Macau Bridge, the new airport runway, and large private construction sites.

Happy 1st birthday to our booking office on 4th Dec!

Celebrating the first anniversary, we will offer a wide range of promotions and activities from late Nov to early Dec. Please take notice of our social media or visit our booking office for further announcement.
