Fly & Drive HK - Prize Game

Earlier this year, we held a prize draw in collaboration with Avis Car Rental. Thank you to everyone who participated and congratulations to the lucky winner for winning a 9-minute flight-seeing tour and a day's free car rental! We hope you had an unforgettable weekend.

Fly & Tea - New Route!

Our popular Fly & Tea package includes an 18-minute flight-seeing tour over Victoria Harbour and Hong Kong Island with access to our fast track lane, followed by an exquisite afternoon tea in the lobby of the Peninsula Hotel. This month, the flight-seeing tour will be extended to 30 minutes, including a flyover of Lion Rock in Sha Tin or the Global Geopark in Sai Kung.

Shared Flight resuming

Following an easing of COVID-19 restrictions, we will gradually be resuming our shared flight packages, starting with a 12-noon service on Saturdays and Sundays. For details, please contact our booking centre.

Michael is back!

Michael Wong is back! We are delighted to announce the return of the award-winning actor as our brand ambassador – this year, you will have the opportunity to take an unforgettable flight with Michael himself on board our MD902 Explorer, including a meet-and-greet session and a group photo!
